Subject: Re: Request for Landscape Plan Compliance Review

Good afternoon,

I have attached the approved site plan and landscape plans for Chili's, which very closely resembles what is currently there. Regarding Sedano's, I was only able to locate the site plan electronically. I will need to review the physical files to determine whether the approved landscape plans are available.

Based on the site's current condition, it appears that efforts were made at some point to maintain and replace the landscaping. However, the landscaping does not appear to have been adequately maintained in recent years.

Please let me know if you have any additional questions.

Thank you.
