**DATE:** May 2, 2022  
**RE:** NY State Stretch Energy Code

At its regularly scheduled meetings on April 12, 2022 and April 26, 2022, the Village of Croton-on-Hudson Planning Board discussed the NY State Stretch Energy Code to make a recommendation to the Village Board.

At the April 12<sup>th</sup> meeting, Planning Board members watched a power point presentation prepared by the Croton on Hudson Sustainability Committee. At the April 26<sup>th</sup> meeting, Planning Board members discussed the inevitability of NY State adopting the Stretch Code, and since there are incentives for adopting it sooner, as well as obvious benefits to the environment, the Planning Board would recommend that the Village Board adopt the NY State Stretch Energy Code.
