Project Summary

Dustin Beard, owner and applicant, has submitted an annexation request for a portion of the property located at 7232 Old Franklin Road. The parcel is more specifically identified as Tax Map 046 Parcel 022.02. The property contains a total of 1.00 (+/-) acres and is bisected by the City of Fairview and Williamson County boundary. The owner is requesting to annex the portion located within Williamson County, which is approximately .59 (+/-) acres in size.

The Williamson County portion is currently zoned MGA-1, while the portion located within the City of Fairview municipal boundaries is zoned CD-2W (Woodlot). The properties located to the north, east and west are the remaining portions of Tax Map 046 Parcel 22.02. The portions located to the north and west are zoned MGA-1 and the portion located to the east is zoned CD-2W. The properties located to the south, across Old Franklin Road, are zoned MGA-1 and CD-2W. All surrounding properties contain single family detached residential land uses.

The applicant indicated the property is currently used as a single-family residence and that will remain the land use following the annexation. Also, the applicant has submitted a rezoning request (RZN-26-0014) to rezone the .59 (+/-) acre portion to CD-2W to match the portion of the property located with the municipal boundaries of Fairview. RZN-26-0014 is the next item on the agenda, PC Resolution 58-26.

Property Zoning

Section 2.5 Newly Annexed Properties, of the Fairview Development Code, states, *“. . . newly annexed properties shall have an initial zoning of CD-2*”, which will remain until the

owner/application formally requests a rezoning and it is approved by the Fairview Board of Commissioners.

Fairview Forward 2040 Plan

The Fairview Forward 2040 Comprehensive Plan classifies the property at 7232 Old Franklin Road as Legacy Neighborhood (Residential- Medium). The Legacy Neighborhood (Residential- Medium) future land use classification lists appropriate zoning districts as RS-40, and R-20, which convert to either CD-2W (Rural) or CD-3L (Neighborhood – Large Lot) character districts within the new development code. The only appropriate land use listed is Single-Family Detached Residential.

The applicant has stated the existing single-family detached residential land use will continue and the rezoning request (RZN-26-0014) is for CD-2W. Both the land use and rezoning request to CD-2W are in alignment with the Legacy Neighborhood (Residential-Medium) future land use classification.

Utilities:

The Water Authority of Dickson County (WADC) provided no review comments on the annexation request, however if the property is annexed any future development will be required to meet all WADC standards.
