Dear Mayor Wiegman,

I am writing to let you know that Community Housing Innovations has applied to Westchester County for Community Development Block Grant Funds, to support the implementation of our proven foreclosure prevention program for the program year May 1, 2012 through April 30, 2013. If funded, we expect to be serving clients in your municipality. Please let me know if you would like us to make a presentation to your municipality's governing body should we be awarded the funding.

Sincerely,
