

Guinan's Aurora

Gentlemen,

Thank you for the opportunity to address the Village Board meeting this week. It was a pleasure to express the mission to people who understand the true meaning of the word ALTRUISM

It is my fervent hope that the bicycles stored in the garage will be made available to our organization.

With every award a note of gratitude will be sent to you from the recipient, it seems only right to do so.

We will also ask that once the youngster is finished with the bike, that it be returned to us to refurbish and awarded again, again your generosity will live on.

Thanking you from my heart,

Jay Vitale

RECEIVED

Guinan's Aurora

It was the vision of Mr. John Guinan that "an example or spark be shown that education is the way out of poverty or destitution."

Environmental Aspect

Mr. Guinan voiced his total dissatisfaction with the knowledge that "millions of "BIKES" wind up in the dump or land fill yearly, when they can be rehabbed and put to a better use." This pure Altruistic acknowledgement is far sighted in scope.

The main prerequisite of this outstanding program is that all the eligible children participating must be:

- a) From a disadvantaged home and can not easily afford by any means to purchase a bicycle.
- b) Must score and maintain high grades in school --- eligibility is to be determined by the participating school districts.
- c) The bicycles will be distributed without any "BIAS" as to race or religion.
- d) All school grades will be considered for an award.

Manny of us in the Philipstown community will always remember the Guinan family and the service of the patriarch "Jimmy." Both Jimmy and John had the ability to disarm you with a simple smile and made you feel special and that you have arrived at a place where the rest of the world was somewhat out of touch. This is a testament to a family and the men and women that gave meaning to a place called "Guinan's."

While John's tragic death came too soon, the memories lingers on!

With the establishment of "GUINAN'S AUORA" memorial, is to enhance Philipstown and in it's presence as it's service to the community on whole. Credit John's insight, "By far it it's a Win,Win situation!"
