Re: Application for Special Permit, General Splice Corporation
Property: 1 Niles Road and Route 129

Gentlemen:

We have been making applications to the ZBA since 1969 with respect to the above property, so that the re-assembly of conveyor belts could be done on the property, which is residential.

We are requesting an additional five (5) years, but would be amenable to a longer period with the same use.

We are enclosing a check payable to the Village in the amount of \$550, as well as 14 copies of the following: EAF, CAF, Site Plan, and Survey.

Very truly yours,

RAYMOND A. D'ALVIA
