Mr. Abraham Zambrano
Village of Croton-on-Hudson
One Van Wyck Street
Croton-on-Hudson, NY 10520

Dear Mr. Zambrano,

The National MS Society – Southern New York Chapter, is pleased to announce the **Bike MS Tappan Zee Bike Ride for MS on Sunday, September 25, 2011.**

For the past few years, the village of Croton-on-Hudson has generously allowed us to use municipal parking lot A (located in the Village of Croton-on-Hudson near the train station) as a rest stop area for our cyclists.

We would like to request permission to use Municipal Parking Lot A again this year. The rest stop, which will be supervised by MS Staff and volunteers, will provide a safe, convenient location for our cyclist to rest before they head toward the final stretch of their 60-mile bike ride. (Rest stop logistics will be similar to last year). The MS Society will again add the Village of Croton to its list of additional insured and leave the lot clean and orderly. Enclosed is also a route map and turn-by-turn cue sheet of the entire route, so you can see exactly which roads in to and out of Croton-on-Hudson would be traversed by our cyclists.

This year, 700 participants are expected to attend the Bike MS TZ Ride for MS. Cyclists will ride one of two challenging routes, each including an exhilarating and unique trek over the Tappan Zee Bridge into Rockland County. Riders participating in the more advanced 60-mile route will continue their ride north to the Bear Mountain Bridge. After crossing the bridge, participants will head south along the Hudson River, back to the start/finish line located at Kraft Foods, in Tarrytown.

If this request is possible, please send us a permit application via fax to my attention at 212-741-5013, or by mail to the address below. If you have any questions, please contact me at allison@leaddogmarketing.com, or at 212-488-6728.
