

We invite students, parents, teachers, and the community to participate in Support Connection's

17th Annual Support-A-Walk to be held on October 2, 2011.

This 3-mile walkathon is an uplifting event that brings the community together to increase awareness about breast and ovarian cancer while celebrating and remembering the lives of people affected by these diseases.

The money raised at the Support-A-Walk funds Support Connection's free and confidential breast and ovarian cancer support services.

There are many ways to get involved even for those who cannot attend. Here are some simple ways you can help:

- ♦ Display the enclosed Walk flyers and Walk brochures in your school
- ♦ Form a team and raise funds by creating a fundraising page at www.firstgiving.com/supportconnection/walk2011
- ♦ Share information on your website, newsletters, emails, etc.

For your convenience here is a brief summary you can use:

The 17th Annual Support-A-Walk for breast and ovarian cancer awareness, presented by Support Connection, Inc., will take place on Sunday, Oct. 2, 2011 at FDR Park in Yorktown Heights, NY. It is a 3-mile walkathon held each year to increase awareness about breast and ovarian cancer. Each year, thousands of people from across the Hudson Valley come together for this uplifting community event. Many participants walk in celebration of or in tribute to those affected by these diseases. Proceeds help fund Support Connection's free support services for people affected by breast and ovarian cancer.

To learn about Support Connection, or to register or donate for the Support-A-Walk, visit www.supportconnection.org or call 914-962-6402. To raise funds online for the Support-A-Walk, visit www.firstgiving.com/supportconnection/Walk2011.

We need and appreciate your help to make the Walk a success!
The enclosed materials will help you get started.

If you have any questions please call Michelle at 914-962-6402 or email walk2011@supportconnection.org
