Dear Mr. O'Connor,

Unfortunately my contractor ADG Home Construction Management, LLC has disappeared from the job before the work is fully completed and not returned my messages for the last few months.

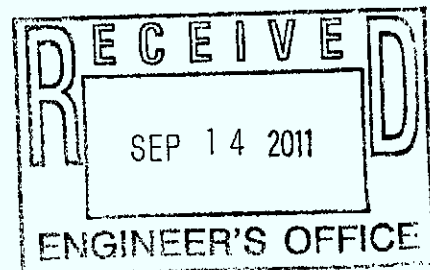

My building permit #20090049 will expire on 09/29/2011. I am in the process of finding a new contractor to complete the building of the deck per the plans submitted with the building application. Therefore I would like to request an extension to the building permit to allow me to finish the project. I will ensure the new contractor files all the appropriate paper work with your office.

You can contact me per phone (914)954 7177(cell) or (914) 271 0859 (home) or email: leonstok@verizon.net if you have other questions.

Thanks a lot for considering this request,

Sincerely,

Leon Stok
