Dear Mayor Wiegman:

On behalf of Westchester County Executive Robert P. Astorino, I would like to invite you to Westchester County's September 11th Memorial Ceremony at The Rising in Kensico Dam Plaza, Valhalla on Sunday, September 11 at 6 p.m.

In commemoration of the 10th anniversary of the attacks, we have arranged a special program that will include music from the Westchester County Philharmonic, an honor guard, a laying of a wreath, and reciting of the names of the 121 Westchester residents who lost their lives on that fateful day.

September 11th is an important day in American history – it's a day of remembrance, reflection and service. We are committed to ensuring that the weekend of September 11th is filled with a variety of opportunities for Westchester residents to come together in honor of those who lost their lives. In addition to our memorial service, the county will be sponsoring a volunteer program and blood drive in partnership with The Volunteer Center of United Way on Friday, September 9 at the Westchester County Center from 2 – 6 p.m.

We are requesting elected officials provide a list of memorial events taking place in the neighboring communities. Our website will provide a listing of memorial services offered throughout Westchester County.

If you plan to attend our ceremony, or would like to provide dates of memorial services, please contact Laura Sanchez by phone at (914) 995-2933 or via e-mail at LSanchez@westchestergov.com by Friday, September 2nd. Special seating will be reserved for you.

Thank you for your attention to this matter.

Sincerely,

George Oros
Chief of Staff
