

Hi Paula,

Thanks very much for your help on this. Attached you'll find the Certificate of Insurance to cover you while our cyclists are riding through Croton.

However, there's been a change in plans regarding our rest stop. Due to some new guidelines from the National MS Society regarding distance between rest stops, we've been forced to move our Croton rest stop a few miles north. The new rest stop will be in a privately-owned parking lot at the corner of Maiden Ln and Route 9A/Albany Post Rd.

We will still be cycling through downtown Croton as per the cue sheet you have. Cyclists will still turn right onto Croton Point Ave at the traffic light. However, instead of pulling into the municipal lot, they will then just turn left onto the bike path that parallels Route 9A.

I apologize for any confusion about this change. I appreciate your support of this event, and please let me know if you have any questions.

-Allison
