Re: 2011 Annual Goblin Walk

The Croton on Hudson Parks and Recreation Department would like to request permission to hold our Annual Goblin Walk on Saturday October 29, 2011 at 1:00pm. The Goblin Walk will begin at the Stanley H. Kellhouse Municipal Building and conclude at Vassallo Park. In the event of rain, the Goblin Walk will be held in the Municipal Building Community Room. We have requested a lead car from the Police Department to insure the safety of the participants. If you require any further information please let me know.
