Work Authorization #1
Code 1156 "Storm Drainage System"

DATE: 10/19/2011

TO: Village of Croton-on-Hudson
Stanley H. Kellerhouse
Municipal Bldg.
One Van Wyck Street
Croton-on-Hudson, NY 10520

JOB NO.: 11059 (Contract)
PROJECT: Village of Croton-on-Hudson
Farrington Road and Hunter Pl.
Water & Sewer Infrastructure
Improvements
Village of Croton-on-Hudson, NY

ATTN: Mr. Marco Gennarelli
Superintendent of Public Works

CC: Mr. Dan O'Connor, PE

FROM: Mr. Michael Kolba

We have been requested to provide an additional service on the project as follows:

- We will update the Farrington Road and Hunter Place Water and Sewer Infrastructure Improvement Plans to depict a proposed storm drain system. The system will consist of piping and drain inlet structures with a connection into the existing storm drain system within North Riverside Drive. The proposed system will extend up Farrington Road to a point just beyond the 90° bend in the roadway. The proposed system will consist of approximately 300 linear feet of pipe and a stub for a future extension.
- We will provide the appropriate construction details for the storm drainage system on the project Construction Detail Drawings and we will prepare a profile of the storm line.
- In addition, we will provide costs for the storm drainage system in the project estimate and will provide the appropriate Technical Specification sections in the project specifications.

The additional service will be billed to you as a Fixed Fee cost of \$2,500.00. Please return one copy of this authorization form signed, dated and duly authorized.

Authorization for the above indicated professional services:
