Subject: Proposed adoption of Local Law Introductory No. 2 of 2011 which would amend Chapter 116 to supplement the list of Type II actions contained in the New York State Environmental Quality Review Act Regulations and proposed determinations of the Planning Board, Zoning Board of Appeals, Police Chief, and Village Engineer—Final Consistency Review

Date: November 1, 2011

On October 27, 2011, the Waterfront Advisory Committee (WAC) reviewed for consistency with the Village's Local Waterfront Revitalization Program (LWRP) the above-referenced referral from the Village Board about the proposed adoption of Local Law Introductory No. 2 of 2011. The WAC had previously reviewed this referral for consistency on July 18, 2011 and had issued a preliminary recommendation of consistency. The WAC members noted on October 27, 2011 that there have been no changes to this application since the preliminary recommendation, and therefore, the WAC voted to issue a final recommendation of consistency. The vote was 3 to 0, all in favor. WAC members Chairman Kane, Ms. Gallelli, and Mr. Kauderer were present at the meeting.

The WAC evaluated this referral for consistency in accordance with the LWRP policy standards and conditions set forth in section 225-6(J) of the Village Code, which are further explained and described in Section III of the LWRP. Because there are no expected adverse impacts on coastal resources, there is no reason to consider alternative actions or mitigation measures.

It is for the reasons contained in this memorandum that the WAC issues its final recommendation of consistency.
