Proposal Inclusions

- Certificate of insurance with standard coverage
- Pre Replacement & Relining Cleaning and TV Inspection of Sewers
- Post Relining TV Inspection of Sewers
- Installation of CIPP Liners
- Service Lateral Reinstatement
- By-Pass Pumping with Soft Discharge Hose up to a 4" Pump

Proposal Exclusions

- Premiums for special insurance coverage
- Permits
- Supply of water necessary for construction purposes.
- Disposal of Debris removed from sewers during the cleaning operation
- Traffic Control other than simple sign package & traffic cones
- Excavation of any kind
- Handling of any Hazardous and or toxic materials

* We will not charge over the total price if we are able to TV more footage in an 8 hour day than you showed me last week, approximately 650 LF.

** If, after the TV inspection we see that just the first few feet of the pipe are damage, which appears to be the case, we can repair it with a cured-in-place spot repair for the price listed. This price doesn't change because it is a separate crew from the MH to MH relining crew.

Sincerely,

Tim Vivian
