Dear Mr. Zambrano:

Thank you very much for allowing us to use the Croton Boat Launch and the parking areas for the Eighth Annual Hudson River EagleFestSM. We welcomed record crowds this year with over 800 attending the Croton Boat Launch site alone! Smiles abounded and plenty of eagles were seen thanks to the wonderful location and dedicated volunteers. By the end of the day, the Boat Ramp site logged the most amount of eagle sightings!

But most importantly, we were able to further spread the message of the importance of conserving biodiversity in order to protect our nation's symbol.

We look forward to planning for next year's EagleFest and hope that the Village of Croton will join in the festivities once again.

Best wishes,

Phyllis Bock
