Re: Re-tiering of Jewelry TV, HSN, QVC, and Shop NBC to Broadcast Basic

Dear Mayor Wiegman:

Please let this letter serve to provide notice that effective March 13, 2012, the above-noted programming services will be re-positioned as part of the Broadcast Basic Package. There is no rate change or channel change involved. A digital cable box, CableCard or Digital TV with QAM tuner is required to view these channels.

Customers will be notified of this re-tiering through on air and written messaging. In addition customers can always find the most current channel information on Cablevision's consumer website www.optimum.com.

If you have any questions, please feel free to contact me.

Sincerely,

Robert Hoch
