Henry Correa

70 Maple Drive

Middletown, NY, 10941

To the Village of Croton on Hudson,

Firstly, I wanted to begin by thanking you for your business over the past year. The market for what we do here at NSI Clean Worldwide Inc. is very competitive, and you have chosen to do business where you saw the most value.

I would appreciate the opportunity to continue to not only expand on the value added but, proactively look for ways to improve throughout the years to come. Exceeding expectations while making the Village of Croton on Hudson look outstanding to those that enter its spaces; that's the goal year after year.

Lastly, thank you in advance for 2019 into 2020 renewal.

Sincerely yours,

Henry Correa, President
