General Application requirements:

1. Forms & fees: This completed application plus seven (7) copies (total of 8) plus eight (8) copies of the supporting documentation shall be submitted by the applicant, accompanied by the applicable fee. Electronic version (pdf, jpeg, other) of all documents must be submitted with the application. Appropriate photographs of the property and surrounding properties should be submitted.
2. Content of submission: Application shall fully set forth the circumstances of the case, accompanied by a proposed plan showing the size and location of the lot, a site plan showing location of all buildings and proposed facilities, including access drives, parking areas, landscaping and streets. Each application shall refer to the specific provision of the chapter and the interpretation that is claimed, details of the variance that is applied for and the grounds on which it is claimed that the same should be granted, or the use for which the special permit is sought.
3. Drawings, elevation plans, and surveys must reflect what is existing and what is proposed and **must be submitted at the time of application**. Failure to do so may result in your application being deemed incomplete.
4. If a recent sale of the property has taken place, please submit proof of ownership.
5. If you are in contract to purchase, please submit a **notarized letter** from the current owner stating that the applicant has his/her permission to file on his/her behalf and applicant is not the owner.

6. Applications **must** be submitted **21 days** prior to the date of the hearing in order to meet **required** deadline dates for Legal Noticing. ZBA meetings/hearings are usually held on the 2nd Wednesday of each month at 8 PM.
7. If the application is approved by the Zoning Board of Appeals and a building permit is needed, a separate application for the building permit will need to be submitted.
8. Appeal: shall be taken within 60 days after the filing of any order, requirement, decision, interpretation or determination by filing with the administrative official and the ZBA, a notice of appeal specifying the grounds of appeal and relief sought.
10. Stay upon appeal: an appeal shall stay all proceedings in furtherance of the action appealed from, unless it is determined that the stay would cause imminent peril to life or property, in which case, proceedings shall not be appealed other than by a restraining order which may be granted by the ZBA or by a court of record on application.

1. Area Variances

Village Code Section(s): 230-35

Description of variance requested:

Rear yard variance for existing shed (8'x10' w 2'x6' extension)

(can use separate paper if necessary)

	Required setbacks:	Proposed Setbacks:	Variance Requested:
Side Yard			
Total Side Yard			
Front Yard			
Rear Yard	<u>30'</u>		

The ZBA shall take into consideration the benefit to the applicant if the variance is granted as weighed against the detriment to the health, safety and welfare of the neighborhood or community by such a grant. To be considered:

1. Whether an undesirable change will be produced in the character of the neighborhood or a detriment to nearby properties;
2. Whether the benefit sought by the applicant can be achieved by some method, feasible for the applicant to pursue, other than an area variance;
3. Whether the requested area variance is substantial;
4. Whether the proposed variance will have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district;
5. Whether the alleged difficulty was self-created, which consideration shall be relevant to the decision of the ZBA but shall not necessarily preclude the granting of the area variance.

Provide additional Information for all five factors above:

- (1) Small storage shed on commercial property no undesirable change in the character of the neighborhood or detriment to the neighborhood or community
6' high solid fences screen shed.
(2) No other location for shed due to parking lot and traffic lanes.
(3) Setback variance is substantial, however only location to place shed, 5' setback allowed in residential areas. (4) No adverse effect is anticipated, not hazardous or petroleum products stored in shed (5) Shed was installed in 2020

(can use separate paper if necessary)
