When sign is on a plate or frame or outlined, all of the area of such plate or area enclosed by frame or outline shall be included. The sign supports that affix to the ground or structure shall not be included in the sign area, unless such supports are evidently designed to be part of the sign. If a sign consists of several individual faces, the sign area shall be the aggregate area of all faces that can be observed from any one point.

When a sign consists only of letters, symbols, designs or figures engraved, painted, projected or in any manner affixed on a wall, the area of such sign shall be deemed to be that of the smallest single basic geometric shape (e.g., square, rectangle, triangle or circle) which encompasses all letters, symbols, designs or figures.

Equations: Rectangular $A = H \times L$
Circular $A = \pi (r^2)$

Temporary Signs: § 230-44 (K)

Temporary signs are those that are displayed for short periods of time. Unless specified otherwise, all temporary signs shall be limited in usage to a maximum of 45 days. Signs shall not be considered temporary if they are effectively displayed on an ongoing basis, interrupted by short intervals when they are not displayed. In addition, the following types of temporary signs do not require a permit:

- For Sale, "For Rent," or "Sold" signs (Two per single lot, not exceeding 6 square feet in area. Not limited to 45 days.)
- Subdivision signs. (Not exceeding 16 square feet in area and set back from the street line 15 feet. Not limited to 45 days.)
- Construction signs. (One sign each for the engineer, architect and contractor(s), not exceeding 6 square feet, for the duration of the construction. Removed when construction is complete.)
- Election campaign signs. (Not limited to 45 days. Removed within 10 days after the election.)
- Signs for garage sales, tag sales or other business activities and events that have duration of 7 calendar days or less.
- Signs pertaining to events of civic, philanthropic, educational or religious institutions. (Not subject to size limitations.)

Sign Review Process: § 230-44 (C) & (Q)

Except for temporary signs, sign applications will be reviewed by the Engineer and forwarded to the Visual Environment Advisory Board (VEB). The VEB will make a recommendation to the Engineer and/or Planning Board. All sign applications submitted with an application for site plan, amended site plan or change of use are included in the Planning Board's site development plan review process and decision.
