Re: Wetlands Permit Extension
Restoration of Van Cortlandt Manor Entrance, PIN 8760.11
525 S. Riverside Avenue
Croton-On-Hudson, NY 10520

Dear Chair Greenbaum,

Historic Hudson Valley has received a wetland permit from the Village of Croton-on-Hudson (Permit #20210001) on May 25, 2021. The permit expires on May 25, 2022. At this time, construction for the above-referenced project is not expected to start until late June/early July of this year. Therefore, on behalf of Historic Hudson Valley, we are requesting an extension of the wetland permit. We have enclosed the following documents in advance of the new Water Control Commission meeting:

- Eight (8) copies of this letter.
- Eight (8) 22"x34" copies of the Site Plan set prepared by Bergmann, dated February 11, 2022.

Please accept this letter and enclosed material for review and discussion during the May 18, 2022 Water Control Commission meeting. A Stormwater Pollution Prevention Plan (SWPPP) for the project is being finalized and will be effective prior to the commencement of construction. Feel free to contact me at (518) 556-3647 if you have any questions or require any additional information.

Sincerely,

Ray L. Darling, Jr., P.E.
Project Manager, Bergmann
