Re: Fencing Along Route 9A in Croton-on-Hudson, NY

To Regional Director Lance MacMillan,

My office recently received correspondence from the Mayor's Office of Croton-on-Hudson, NY regarding fencing along 9A within the village.

My office was informed that repairs to the fencing along this route have not been fully completed and the safety issues within the village remain and continue to be an issue. It is my understanding that portions of the needed repairs were completed however, the safety issues along Route 9A continue to be of concern until the fencing has been fully repaired.

We respectfully request that your office continues the repairs along 9A and ask that you provide a potential estimated schedule for the completion of these repairs.

Please feel free to contact my office at 914-241-4600. Thank you for your time and considerations.

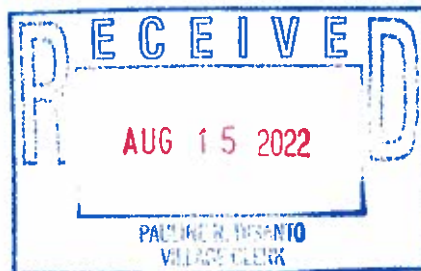

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter B. Harckham".
