Re: 217 Half Moon Bay Drive. / Tax # 78.16-1-4.36 - Building Permit #
20210122

Dear Mayor Pugh and Village Trustees,

we had a Building Permit issued via our contractor on 10/27/2021.

Building Permit #20210122

On 8/22/2022, we amended the permit to self-contract and finish the project as the renovation under the original issued permit became too difficult.

As difficulties continue in making the final stretch to finish the project and the cost to do so is putting a tremendous financial burden on us, I am asking you to please wave the Permit Amendment Fee of \$75.00.

Your consideration would be much appreciated.

Kind regards,
Petra Vatne
