Submitted values are:

Choose One: Public Comments for Board Meeting

Please include any questions or comments: At the 10/17/22 Board of Trustees meeting, I am requesting a response to the following question. Should the Board of Trustees decide to move forward with the Homeland Towers proposal for 230 Hessian Hills Road, please describe the steps in the process that would lead to final approval of the project. Please specifically list what applications and approvals, such as for zoning, lease and others, would be required and what public hearings would take place.

==Please provide the following information==
