Village Manager Healy, Mayor Pugh and Board of Trustees,

Please see the below letter from Sgt. Corey Velardo. I acknowledged and approve of this request.

Chief John H. Nikitopoulos

Croton Police Department

I, Sgt. Corey Velardo, was recently contacted by Police Officer Delgado of the Yorktown Police Department inquiring about our Department's Bicycle Unit. P.O. Delgado was seeking advice and general knowledge of our unit, as his Department is in the beginning stages of starting a bicycle unit in Yorktown. P.O. Delgado also inquired if Croton PD, or any Department in our area that I knew of, had bicycles to donate or sell to help set about the launch of a Yorktown Bicycle Unit. At this time, the Croton PD currently has two older model Fuji Mountain Bikes that are in poor yet repairable condition. I am respectfully requesting the Village of Croton donate these two bikes to the Yorktown PD to help with their cause, as we have always had a great standing relationship with our neighboring Departments.

Respectfully,

Sgt. Corey Velardo
