On September 8, 2023, the Village received a check in the amount of \$2,936.74 in relation to the additional expenses incurred by the Village for the festival. The Village has now been made whole for the overtime costs related to this event.

Additionally, the amount included a \$250 fine for violations of Chapter 168, Parks & Recreation Areas, of the Village Code; specifically, violation of the prohibition against charging admission fees to a park or recreation area.

Please let me know if you have any questions regarding the above. Thank you.
