Re: 2023 Street Resurfacing Program

The Village will once again be undertaking an ambitious street resurfacing program this fall. Eight streets will be repaved:

Roadway	From	To
Piney Point Avenue	Dead end	Dead end
Loconto Street	Cleveland Drive	Dead end
Hessian Hills Road	Glengary Road	Dead end
Hixson Road	Hessian Hills Road	Dead end
Michaels Lane	Old Post Rd North	Dead end
Palmer Avenue	High Street	Hunter Place
Oneida Avenue	Cleveland Drive	South Riverside Avenue
Eklof Court	Batten Road	Dead end

The Village will be able to make use of a bid previously awarded by the Village of Ossining to Rinaldi Brothers to undertake the paving. This will save time and effort on behalf of the staff and allow the resurfacing project to start as soon as the contractor is available.

Please note that streets currently being worked on by Con Edison and/or its contractors are not included in the Village's resurfacing program. These streets will be repaved by Con Edison's paving contractor once their gas main work is completed.
