

Exhibit C

VERIZON WIRELESS' CERTIFICATION

State of New York)
) ss.:
County of Westchester)

I, Ali Aljibori, a qualified radio frequency engineer for New York SMSA Limited Partnership d/b/a Verizon Wireless ("Verizon Wireless") with expertise in wireless telecommunications facilities, hereby certify on behalf of Verizon Wireless that (i) I am familiar with Verizon Wireless' existing wireless telecommunications facility ("Facility") consisting of antennas on the replacement lattice mast on the building ("Building") located at 1 Van Wyck Street, together with equipment in the existing equipment room at the Building; (ii) Verizon Wireless continues to need this Facility to cover what would be a significant gap in Verizon Wireless service in the vicinity of the Facility; and (iii) the Facility remains in compliance with all applicable local laws.
