1. Tower-Based Wireless Facilities:

a. Monopole

b. Lattice Tower

2. Collocated Wireless Facilities

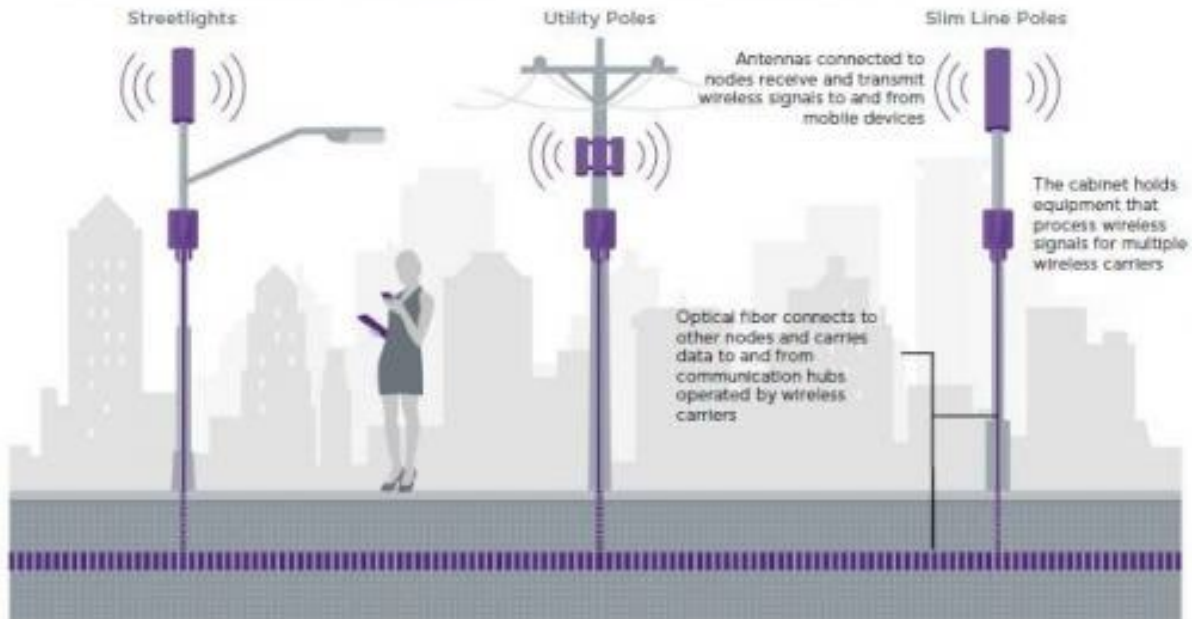

d. Small Wireless Facility - please note that Small Wireless Facilities will be either collocated on existing utility poles, placed on replacement utility poles, or placed on newly-installed utility poles, but the aesthetics will be substantially the same for each

What Are Small Cell Deployments?

Small cell deployments are complementary to towers, adding much needed coverage and capacity to urban and residential areas, venues, and anywhere large crowds gather
