Subject: Color Change 25A Harrison .

CAUTION: External sender.

Village Of Croton Planning Board,
Homeowner Raquel [REDACTED] 25A Harrison is requesting the color of her new home color to be changed from dark blue as on plans to Forrest Green Double 5 siding with board and batten also Forest Green. Lots of research has been done by Raquel and Porteus&Son Builders including looking at every house on Harrison and we believe the Forrest Green is a beautiful fit for Raquel's beautiful new home.
Joseph Thompson Architect for Raquel's home has approved the Forest Green Color.

Thank You Planning Board For Your Consideration On this Request.
