

The following changes in our membership rolls occurred at last evening's Fire Council Meeting;

Sydney McCabe resigned as an Active Member with Croton Fire Patrol No. 1 (school/work obligations).

Jack Fahey was approved as a Probationary Active Firefighter (PAF) assigned to Columbian Hook & Ladder Company No. 1.

Daniel Markic was approved as a Probationary Active Firefighter (PAF) assigned to Columbian Hook & Ladder Company No. 1.

As a reminder, a PAF membership is for teens ages 16 & 17 that can begin taking State, County and other applicable Fire, Rescue and EMS training programs. To be an Active Member, one must be at least 18 years old. Generally, all PAFs hold dual membership with a Company within the Department as well as our Explorer Post.

Thank you.

John M. Munson, Secretary
Croton Fire Council
