

Bryan,

I'm just reaching out to you with regards to hanging senior banners at Firefighters Field. Brad Kennedy brought to my attention that the village needs to approve this. Can this email serve as our request to hang senior banners for the spring 2024 season.

Additionally, we are planning our annual Pink game for the evening of May 3rd. Will you need anything regarding this event.

Please let me know if this is possible.

Thanks,

Bill
