Good afternoon, Bryan,

Teatown is planning to be at Silver Lake Park on two days for a Trout Release school program which we usually do around that time of year a couple of times at the park. Attached is the insurance for the 2 days we plan to be there: May 2nd and May 8th.

Please let me know anything else you need or if there is anything going on at the park on those days.

Thank you,

TEATOWN
Marie Roche
