Subject: CLEAN Updates : including Train Station Waterfront Cleanup - Sunday, September 29th

Hi Janet and Bryan -

Hope the summer treats you well.

1. CLEAN is working with Temple Israel and a 501(c)3 called Rescue the Sea to clean up the waterfront around the train station on September 29th. We could have a large turnout (30-50 people) a good number of whom won't be village residents and so can't get weekend parking passes. Would it be possible to have our volunteers park in LOT A, which will be empty on a Sunday and so won't pose a burden on enforcement?

Thanks,

J
