

September 3, 2024

Dear Croton-on-Hudson Zoning Committee,

We are writing to express our support for the proposed updates to the property at 81 Cleveland Drive, as submitted by Robert Serrell and Catherine Williams. The proposed changes include:

1. Installation of a small shed (4' x 8') on the side of their house.
2. Installation of a medium-sized shed (7.5' x 12') on their property by the patio.
3. Construction of a 6-foot fence along the patio.
4. Addition of a new deck with excavation underneath.

We believe these updates will enhance the character of our neighborhood and fully support their implementation.

Thank you for your consideration.

Sincerely,

André Platt + Dennis Wilentz
80 Cleveland Drive
