

To Whom it May Concern:

Our neighbor, Nancy Heppner of 9 Bank Street, has advised us that she wishes to build a 10'x16' deck within her back yard. We understand that the proposed deck would be only 3.3 feet from her uphill side property line instead of the 5 feet that is normally required by the code; and that she has applied for a variance. The back of our property is on the other side of Farrington, which is uphill and across the street from Ms. Heppner's property. We have no objections or concerns regarding this plan.

Thank you for your attention,
