

Dear Mayor Pugh,

It has been a privilege to serve as the Chair of the Croton Conservation Advisory Council (CCAC) for the past five years. After careful consideration, I believe the time has come to pass the baton to someone else who can continue advancing the important work of the Council. Along with stepping down as Chair, I am also resigning from the CCAC.

During my time as Chair, the committee has achieved several key milestones, including the establishment of the Gas-Powered Leaf Blower regulation, advising the Village Board on the proposed solar canopy at Hudson National, updating solar regulations, proposing an updated Tree Ordinance, launching the Repair Café, and expanding our Earth Day celebrations. CCAC has recently initiated the Dark Skies/Light Pollution program.

I have greatly enjoyed my time working with the CCAC and am deeply grateful for the opportunity to contribute to these efforts. Thank you for your support and for allowing me the opportunity to serve our community in this capacity.

Sincerely,
Janet Monahan
