To Whom it May Concern:

As the owner and permanent resident of 42 Van Wyck St in Croton-on-Hudson, NY, I am writing this letter in support of my neighbors at 44 Van Wyck St, building a shed in their driveway. My understanding is that the shed would be used to house their son's tandem tricycle which is adapted for his special needs. The shed is to remain on their side of the existing fence but is closer than 5 feet to our property line. I am in support of the Village of Croton-on-Hudson granting a variance to allow for the shed to be built closer than 5 feet to the property line.

Thank you
