LOCAL LAW INTRODUCTORY NO. 13 OF 2024

**A LOCAL LAW TO AMEND CHAPTER 215, VEHICLE & TRAFFIC, OF THE CODE OF
THE VILLAGE OF CROTON-ON-HUDSON TO UPDATE PROVISIONS RELATED TO
SEASONAL PARKING**

BE IT ENACTED by the Board of Trustees of the Village of Croton-on-Hudson as follows:

Section One. Section 215-29, Seasonal parking, of the Code of the Village of Croton-on-Hudson is hereby amended to read as follows:

§ 215-29. Seasonal parking.

- A. Vehicles shall be allowed to remain standing on any street or public highway within the corporate limits of the Village of Croton-on-Hudson, except when otherwise prohibited by this chapter or any other chapter of the Croton-on-Hudson Code, and except when snow accumulates to two or more inches.
- B. Upon an accumulation of two or more inches of snow, no vehicle of any kind shall be allowed to remain standing on any street or public highway until the snow has ended and the road has been cleared of snow. Vehicles must be relocated to off-street locations and may be parked on the Village right-of-way area directly in front of the vehicle owner's residence, except that vehicles may not be parked on any part of a street, sidewalk, or curb. Vehicles parked in the Municipal Building parking lot, Asbury Methodist parking lot, Merwin Oak parking lot, and South Harmon parking lot must be moved within 12 hours after snow has ended.
- C. Special hardship permits. In cases where there is no off-street location or right-of-way area which can be used, the Village Manager shall, upon written application, verification of the applicant's special hardship and payment of a fee charged in accordance with the fee schedule established by the Village Board of Trustees, issue an annual permit granting permission to park motor vehicles on the street or public highway except for certain streets designated by the Village Manager, upon recommendation of the Superintendent of the Department of Public Works, provided that such parking conforms to all other laws and regulations. No permit parking shall be permitted on those streets designated by the Village Manager. Hardship permit holders shall move their vehicles to an area cleared of snow no later than 12 hours after the snow stops.
- D. Overnight parking. Overnight parking in certain sections of the Municipal Building parking lot is prohibited during snow events as designated by signage.
- E. Fine prescribed. All vehicles in violation of this section are subject to a fine as prescribed in § 215-30(B) and towing.

Section Two. Severability.

If any section, subsection, clause, phrase or other portion of this Local Law is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body or other authority of competent jurisdiction, such portion shall be deemed a separate, distinct and independent portion. Such declaration shall not affect the validity of the remaining portions thereof, which other portions shall continue in full effect.

Section Three. Effective Date.

This local law shall take effect immediately upon filing in the office of the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.
