Subject: Do Not Raise Property Taxes

Hi

As a village resident and member of tax paying family, I'd like the Board to oppose raising the property tax cap. We already pay some of the highest taxes in the country. Raising the property tax cap would put undue pressure on middle income families that are already struggling to keep up with high tax rates as Westchester County home owners. Please oppose raising the cap.

Respectfully,
Cheryl Wong

Please include any questions or comments: I can't make the meeting but do not support the property tax override without getting more information on (1) if the village intends to increase taxes, (2) the current state of the budget and need for the override and increased property taxes, and (3) the scope and duration of the override - is it only for this year, does the override expire, who is impacted by the taxes
