

**Department of
Environmental
Conservation**

KATHY HOCHUL
Governor

SEAN MAHAR
Interim Commissioner

JAN 23 2025

Honorable Brian Pugh
Mayor
Village of Croton-on-Hudson
1 Van Wyck St
Croton-on-Hudson, NY 10520

Dear Mayor Pugh:

I am pleased to inform you that the Village of Croton-on-Hudson has been awarded a grant of \$20,000 for bid number one submitted to the 2024 Municipal Zero-emission Vehicle Rebate Program.

The New York State Department of Environmental Conservation (DEC) applauds your initiative in helping New York State achieve the greenhouse gas emission reductions required under the Climate Leadership and Community Protection Act and to meet its commitments under the Multi-State ZEV Memorandum of Understanding. Your initiative is also consistent with the State's plan that 100 percent of new passenger cars and trucks will be zero-emissions by 2035.

After DEC receives procurement approval for this grant round from the Office of the New York State Comptroller, you will receive an email outlining the next steps in preparing to execute a state assistance contract for this grant award.

The master contract for grants for this award will be developed in the Statewide Financial System Grants Management System (SFS GM). We recommend visiting the Grants Management website at <https://grantsmanagement.ny.gov/> to become familiar with the SFS GM and the contracting process.

We look forward to working together to achieve a resilient, climate-ready future for all New Yorkers.

Sincerely,

Sean Mahar
Interim Commissioner

c: Bryan T. Healy, Village Manager
Pauline DiSanto, Village Clerk/Deputy Manager
