Bold & Modern

Perk up indoor and outdoor common areas with the bold modern style of the Cunningham™ Collection. With a 32-gallon capacity and variety of lid options, these litter receptacles are popular choice for parks, school campuses, transit stations and more.

Dimensions

Model CNTR-32 - 32"Dia. x 34-1/2"H

*Footprint is 25-5/8"Dia.

Designed for high-volume use the receptacle base is constructed of 5/8" solid steel rods and a flat 1/4" x 3" steel bar frame. The all-steel construction is protected in an environmentally friendly, closed loop 18 stage e-steel™ powder-coating finishing process—delivering superior resistance against corrosion, chipping, cracking or fading.

Engineered to accommodate a variety of installations, units come standard with a 9/16" diameter anchor hole and stainless steel leveling feet.

Please Note

These powder-coated steel trash receptacles are available with several versatile options designed to suit your needs. To make your ordering process simple please follow the *easy 3 step ordering process*.

Step 1 - Select Base:

Select Model (A) and Choose receptacle color.

Step 2 - Select Lid:

Select Model (B, C, D, E, F, G, H, I, J or K) and Choose lid color.

Step 3 - (L) Enter the Quantity of the complete trash can(s) you would like to order.
