RE: Quaker Bridge Road Bridge Replacement
Waiver of Wetland Activity Permit Application Fee

Mr. Healy,

Westchester County is in the process of obtaining environmental permits to replace the Quaker Bridge Road Bridge over the Croton River. Along with this letter, we are submitting a Wetland Activity Permit application, which carries a \$350 application fee. Westchester County hereby requests this fee to be waived as we work to complete this mutually beneficial project.

Should you have any questions or require additional information as you consider this request, please contact me at 914-995-2546 or hjg7@westchestercountyny.gov.

Thank you,

Hugh J. Greechan, Jr., P.E.
Commissioner
Westchester County Department of Public Works & Transportation
