THIS AGREEMENT made this 22nd day of November, 2024 by and between:

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601 (hereinafter referred to as the "County")

Acting by and through its Department of Public Safety Services (hereinafter referred to as the "Department")

and

VILLAGE OF CROTON-ON-HUDSON, a municipal corporation of the State of New York having an office and place of business at 1 Van Wyck Street, Croton-On-Hudson, NY 10520, acting by and through the Croton-On-Hudson Police Department, (hereinafter referred to as the "Municipality").

1. The Municipality shall run special enforcement details to conduct high visibility road checks, saturation patrols, and drug recognition expert call outs, as more particularly described in Schedule "A", attached hereto and made a part hereof (hereinafter the "Work").

2. In consideration for services rendered, the County shall pay the Municipality an amount not to exceed TWENTY THOUSAND (\$20,000.00) DOLLARS, payable at the actual authorized pay rates of the participating officers based upon the number of hours worked, to be paid upon completion of the Work as provided in Schedule "A", which is attached to and forms a part of this Agreement, and as set forth herein.

3. The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to the County's actual receipt of funds from New York State STOP-DWI Foundation, Inc.

If, for any reason, the full amount of said funds is not paid over or made available to the County by New York State STOP-DWI Foundation, Inc., the County may terminate this Agreement immediately or reduce the amount payable to the Municipality, in the discretion of the County. The County shall give prompt notice of any such termination or reduction to the Municipality. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

In addition, the parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this

Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

3. All records or recorded data of any kind compiled by the Municipality in completing the Work described in this Agreement, including but not limited to written reports, studies, computer printouts, graphs, charts, and all other similar recorded data, shall become and remain the property of the County. The Municipality may retain copies of such records for its own use and shall not disclose any such information without the express written consent of the Stop-DWI Director or his designee ("Director"). The County shall have the right to reproduce and publish such records, if it so desires, at no additional cost to the County.

4. The Work to be performed pursuant to the terms of this Agreement shall commence October 1, 2024 and continue through September 30, 2025.

The Municipality shall issue progress reports to the County as the Director may direct and shall immediately inform the Director in writing of any cause for delay in the performance of its obligations under this Agreement.

5. The Municipality agrees and shall be subject to the insurance requirements contained in Schedule "B", which schedule is attached to and forms a part of this Agreement. In addition to and not in limitation of the insurance provisions contained in Schedule "B", the Municipality agrees:

(a) that except for the amount, if any, of damage contributed to, caused by or resulting from the sole negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees, agents and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto; and.

(c) In the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

6. The Municipality shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations, including, but not limited to, those applicable to the Municipality as an employer of labor or otherwise.

7. Requests for payment to be made shall be submitted by the Municipality on properly executed payment vouchers of the County in accordance with Schedule "A" and paid only after approval by the Director. All payment vouchers must be accompanied by a numbered invoice and must contain the invoice number where indicated. All invoices submitted during each calendar year shall utilize consecutive numbering and be non-repeating. In no event shall payment be made to the Municipality prior to completion of all Work and the approval of same by the Director.

The Municipality shall, at no additional charge, furnish all labor, services, materials, tools, equipment and other appliances necessary to complete the Work, unless specific additional charges are expressly permitted under this Agreement. It is recognized and understood that even if specific additional charges are expressly permitted under this Agreement, in no event shall total payment to the Municipality exceed the not-to-exceed amount set forth in Section 1 above.

All payments made by the County to the Municipality will be made by electronic funds transfer ("EFT") pursuant to the County's Vendor Direct program. Municipalities doing business with Westchester County, who are not already enrolled in the Vendor Direct Program, will be required to fill out and submit an EFT Authorization Form prior to receiving an award or purchase order. The EFT Authorization Form and related information are annexed hereto as Schedule "C." The completed Authorization Form must be returned by the Municipality to the Westchester County Department of Finance ("Finance Department") prior to execution of the contract. In rare cases, a hardship waiver may be granted. For a Hardship Waiver Request Form, please contact the Finance Department.

8. (a) The County, upon ten (10) days notice to the Municipality, may terminate this Agreement in whole or in part when the County deems it to be in its best interest. In such event, the Municipality shall be compensated and the County shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination at the rates specified in Schedule "A." Upon receipt of notice that the County is terminating this Agreement in its best interests, the Municipality shall stop work immediately and incur no further costs in furtherance of this Agreement without the express approval of the Director, and the Municipality shall direct any approved subconsultants to do the same.

In the event of a dispute as to the value of the Work rendered by the Municipality prior to the date of termination, it is understood and agreed that the Director shall determine the value of such Work rendered by the Municipality. The Municipality shall accept such reasonable and good faith determination as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for forty-eight (48) hours after service on the Municipality of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the Work provided for in this Agreement, or contract for its completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Without limiting the foregoing, upon written notice to the Municipality, repeated breaches by the Municipality of duties or obligations under this Agreement shall be deemed a material breach of this Agreement justifying termination for cause hereunder without requirement for further opportunity to cure.

9. All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or delivered by hand or overnight courier, or sent by facsimile (with acknowledgment received and a copy of the notice sent by registered or certified mail, postage pre-paid), as set forth below or to such other addresses as the respective parties hereto may designate in writing. 10. This Agreement and its attachments constitute the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

11. In the event of any conflict between the terms of this Agreement and the terms of any schedule or attachment hereto, it is understood that the terms of this Agreement shall be controlling with respect to any interpretation of the meaning and intent of the parties.

12. Nothing contained herein shall be construed to make either party the agent, employee or co-venturer of the other and the parties hereto expressly disclaim the existence of any such relationship between them.

13. The failure of the County to insist upon strict performance of any term, condition or covenant herein, shall not be considered a waiver of such breach or default or any subsequent breach or default of the terms, conditions and covenants herein. The remedies contained herein are cumulative and shall not limit or restrict any other remedy at law or in equity to which the County may be entitled.

14. Except as provided herein, the Municipality shall not assign, sublet, subcontract or otherwise dispose of this Agreement, or any right, duty or interest herein, without the prior express written approval of the County. Any purported delegation of duties, assignment of rights under this Agreement without the prior express written consent of the County is void. No assignment, subcontracting, subletting or other such disposition of this Agreement, either with or without such consent of the County, shall serve to relieve the Municipality of its obligations under this Agreement.

High Visibility Engagement Campaign

October 1, 2024-September 30, 2025

Grant number is 00170

The STOP-DWI High Visibility Engagement Campaign Program is an overtime, added, patrol effort to enforce the New York State Vehicle and Traffic Laws against intoxicated and impaired driving (DWI/DWAI) in Westchester County. Each participating municipality, through its police department, must submit the required documentation to claim reimbursement from the New York State STOP-DWI Foundation.

Several years ago the New York State STOP-DWI Association, Inc. launched the “High Visibility Engagement Campaign.” Law enforcement agencies throughout the state join forces with overtime patrols funded by local STOP-DWI programs as well as a GTSC grant funded through the STOP-DWI Foundation.

All details must be scheduled and approved prior to conducting said operation. The High Visibility Engagement Campaign details are cooperative and must include multi-agency efforts (these details also include the New York State Troopers Association). In addition, these details will include ‘call- outs’ for the utilization of Drug Recognition Experts (DRE’s) to evaluate/assess subjects arrested for Driving While Ability Impaired by Drugs or Driving While Ability Impaired by Drugs and Alcohol.

The Enforcement Crackdown details scheduled throughout the year (see below).

- All HVEC will be multi-agency -more than one agency must participate but don't have to work the same detail or at the same time

The participants in the details will be reimbursed according to number of hours worked and the actual authorized pay rates of the participating officers. Reimbursement is for enforcement during the dates of the impaired driving mobilizations and cannot be transferred for any other purpose. Fringe will not be reimbursed.

Reimbursement forms as well as detail activity sheets will be provided to the enforcement agency by the STOP-DWI Coordinator and at the completion of the checkpoint/saturation patrols, are to be completed, signed by a supervisor and submitted to the STOP-DWI office at 112 E. Post Road, 3rd Floor, and White Plains, New York 10601

Drug Recognition Experts Drug Recognition Experts (DRE's) are used to evaluate/assess (substantiate) charges of drug influence in subjects arrested for Driving While Ability Impaired by Drugs or Driving While Ability Impaired by Drugs and Alcohol.

Each law enforcement agency participating in the STOP-DWI Program's DRE Reimbursement Initiative must adopt the following procedure for their processing of subjects suspected of driving impaired by drugs, or drugs and alcohol.

DRE Call Out Procedure:

1. The New York State Foundation will reimburse the actual hourly rate and hours that the officer was called out up to a maximum of 4 hours per call out. Use the PS-1 sheet signed by the DRE's supervisor. (Form provided by the STOP-DWI Coordinator)
2. Before a DRE can be called out, the following must occur.
 - The arresting officer must have completed his entire SFST field test and see signs of impairment.
 - The officer must administer a breathalyzer test to determine the subject's BAC.
 - If the subject has a BAC of .16 or higher there is no reason to call a DRE. If the subject refuses the test and you think drugs may be involved you should consult with a DRE.
 - The only exception to this would be for serious injuries or fatal crash.

To receive reimbursement for a call out the following must be provided:

1. Submit a copy of the breathalyzer ticket or refusal form.
2. Copy of the DRE Face Sheet and the narrative.
3. Copy of the lab submission form.

SCHEDULE "B"
STANDARD INSURANCE PROVISIONS
(MUNICIPALITY)

1. Prior to commencing work, and throughout the term of the Agreement, the Municipality shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Municipality shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Municipality and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Municipality shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Municipality to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Municipality to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Municipality from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Municipality concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Municipality's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Municipality until such time as the Municipality shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Municipality maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Municipality. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

2 The Municipality shall provide proof of the following coverage (if additional coverage is required for a specific agreement, those requirements will be described in the Agreement):

- a) Workers' Compensation and Employer's Liability. Certificate form C-105.2 or State Fund Insurance Company form U-26.3 is required for proof of compliance with the New York State Workers' Compensation Law. State Workers' Compensation Board form DB-120.1 is required for proof of compliance with the New York State Disability Benefits Law. Location of operation shall be "All locations in Westchester County, New York."

Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits Policy, or both, the employer must complete NYS form CE-200, available to download at: <http://www.wcb.ny.gov>.

If the employer is self-insured for Workers' Compensation, he/she should present a certificate from the New York State Worker's Compensation Board evidencing that fact (Either SI-12, Certificate of Workers' Compensation Self-Insurance, or GSI-105.2, Certificate of Participation in Workers' Compensation Group Self-Insurance).

- b) Commercial General Liability Insurance with a combined single limit of \$1,000,000 (c.s.1) per occurrence and a \$2,000,000 aggregate limit naming the "County of Westchester" as an additional insured on a primary and non-contributory basis. This insurance shall include the following coverages:
 - i. Premises - Operations.
 - ii. Broad Form Contractual.
 - iii. Independent Contractor and Sub-Contractor.
 - iv. Products and Completed Operations.
- c) Commercial Umbrella/Excess Insurance: \$2,000,000 each Occurrence and Aggregate naming the "County of Westchester" as additional insured, written on a "follow the form" basis.

NOTE: Additional insured status shall be provided by standard or other endorsement that extends coverage to the County of Westchester for both on-going and completed operations.

- d) Automobile Liability Insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and a minimum limit of \$100,000 per occurrence for property damage or a combined single limit of \$1,000,000 unless otherwise indicated in the contract specifications. This insurance shall include for bodily injury and property damage the following coverages and name the "County of Westchester" as additional insured:
 - (i) Owned automobiles.
 - (ii) Hired automobiles.
 - (iii) Non-owned automobiles.

3. All policies of the Municipality shall be endorsed to contain the following clauses:

(a) Insurers shall have no right to recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the insurance policies so effected shall protect both parties and be primary coverage for any and all losses covered by the above-described insurance.

(b) The clause "other insurance provisions" in a policy in which the County is named as an insured, shall not apply to the County.

(c) The insurance companies issuing the policy or policies shall have no recourse against the County (including its agents and agencies as aforesaid) for payment of any premiums or for assessments under any form of policy.

(d) Any and all deductibles in the above described insurance policies shall be assumed by and be for the account of, and at the sole risk of, the Municipality.
