Re: Retirement

Dear Manager Healy:

This letter is my official notification to you and the Village of Croton-on-Hudson that my last day of work at the Village will be on September 26, 2025; after that day I plan to retire.

I have enjoyed and it has been professionally rewarding to have served as the Village Engineer for the past 23 years. I will work with staff in the Engineering Office and you to ensure a smooth transition.

Please contact me if you need any additional information.

Sincerely,

Daniel O'Connor, P.E.  
Village Engineer/Building Inspector
