The Village received two donations which I am requesting that the Board accept for the following purposes:

- Croton EMS Inc. has provided a donation in the amount of \$640.91 to help finance the purchase of their command vehicle. The bid price for the command vehicle came in slightly higher than the funds available. Croton EMS Inc. has also indicated that they will be making an additional donation in the future to outfit the vehicle with various equipment.
- Brian Pugh has provided a donation in the amount of \$1,731.23 to be credited towards the Village's sustainability efforts.

Please let me know if you have any questions. Thank you.
