I am requesting that the Village Board of Trustees accept a monetary donation in the amount of \$263.77, as well as various supplies, from Spencer Celente as part of his Eagle Scout service project.

Spencer worked with the Trails Committee and Village Dept. of Public Works to improve a section of the Jan Wines Memorial Trail System near Mount Airy Road. Two crossing points along the trail were previously constructed haphazardly. The project consisted of installing a small bridge over a creek (approximately 7 feet long) and a trail bridge over a 30-foot wetland area.

Spencer has completed his project and is seeking to donate the remaining funds and supplies to be used for continued trails maintenance.

Please let me know if you have any questions. Thank you.
