Good Evening:

The Croton Fire department Fire Council would like the Village Board/Manager to approve our request to hold our annual fundraising Big Bucks raffle at the Croton Summer fest in June 2026. If you were in need of more information or have any questions, please feel free to reach out to Joe Streany as he will be handling the raffle and you can direct any questions to him. If for some reason you need anything else from me, please feel free to reach back out to me.

Respectfully submitted  
John E Delaney Jr  
CFD Council secretary
