Which of the following municipal services do you believe should have its current funding reduced or held flat to create resources for higher-priority areas?

Public Safety (Police, Fire, Emergency Response)	66
Infrastructure (Roads, Parks, Sidewalks, Drainage)	3
Recreation	19
Arts/Culture	75
Other (Please Explain)	31
No reductions should be made in any area.	106

If additional funding is needed to increase or maintain funding for a priority service, which option would you most prefer?

Increase property taxes for all property owners.	50
Increase existing user fees (such as recreation program costs and parking fees).	119
Introduce new types of user fees.	52
Use municipal financial reserves (savings), which could limit the village's ability to respond to future emergencies or require borrowing to fund capital projects (and greater debt service in the future).	78

Please rank your overall priorities for the 2026-2027 budget, with 1 being the highest priority and 6 being the lowest priority.

	1	2	3	4	5	6
Keep any tax increase as low as possible.	19	23	19	15	25	25

Improving village services (even if taxes must increase UNDER the tax levy limit of 2%).	19	43	62	87	71	14
Improving village infrastructure (even if taxes must increase UNDER the tax levy limit of 2%).	37	62	58	60	65	16
Improving village services and/or infrastructure (even if taxes must increase ABOVE the tax levy limit of 2%).	27	13	28	36	39	152

How should the village manage its financial strategy for long-term capital projects?

Maintain a low tax rate by only funding essential, immediate needs and deferring maintenance even if that diminishes public assets and amenities.	70
Prioritize fiscal stability by building large financial reserves and fully funding future expenses, which may require upfront tax increases.	102
Borrow money (issue bonds) for major projects like infrastructure, spreading the cost (including interest payments) over decades.	128
