PID Meter	\$ 120.00	Per Day	\$120.00
(2) laborers	\$1560.00	Per Laborer/Per Day	\$3,120.00
Supervisor	\$1,700.00	Per Day	\$1,700.00
Machine Operator	\$1,700.00	Per Day	\$1,700.00
Excavator Operator	\$1,700.00	Per Day	\$1,700.00
Transport Driver	\$1,664.00	Per Day	\$1,664.00
Contaminated soil disposal (Estimated at 20 tons)	\$130.00	Per Ton	\$2,600.00
Transportation of material to disposal facility/roll off container	\$1,000.00	Per Container	\$1,000.00
Disposal Facility Soil Analysis-	\$475.00	Non-Commercial labs only	\$475.00
One roll of 6 mil poly for lining of transportation container	\$300.00	Per roll	\$300.00
Ground, Driveway, Road Protection Mats for container)	\$55.00	Per Mat	TBD
Screened clean backfill material (Estimated at 18 yards)	\$55.00	Per Yard	\$990.00
Soil analysis (minimum of 2– more may be required by DEC & WCDOH)	\$475.00	Per Sample	\$950.00
NYS DEC Closure Report	\$800.00		\$800.00
		Total:	\$22,419.00

****This is a rough estimate for what remediation could cost per day. How long the job takes is unknown (Initial). ** Prices will vary according to the amount of soil disposed of, number of boxes, etc. This can be used to give an idea of the costs involved. If the initial project is taxable, the remediation is taxable. A 60% deposit is required prior to starting.**
